Join Us for State Advocacy Day

**WBCC Legislative Day / Advocacy
Wednesday, October 9, 2019
Wisconsin State Capitol, Madison, WI**

The Wisconsin Breast Cancer Coalition will discuss the issues facing breast cancer patients and survivors in Wisconsin, how current policy impacts them, and what we can do to address those issues.

The morning sessions will prep attendees to discuss legislation and topics that affect breast cancer patients. After lunch, you will meet with your state representatives.

Mark Your Calendar to join us at the Capitol!

[Click here](#) to register by October 1.

WBCC Mission

The Wisconsin Breast Cancer Coalition brings Wisconsin voices together to stand up and speak out about breast cancer with:

Legislation - Influencing policy making
Education - Spotlighting critical breast cancer issues
Collaboration - Empowering through strategic alliances
